

Data Protection Policy

Aim and scope of policy

This policy applies to the processing of personal data in manual and electronic records kept by Green Frog Utilities Ltd in connection with its human resources function as described below. It also covers Green Frog Utilities Ltd.'s response to any data breach and other rights under the General Data Protection Regulation and the current Data Protection Act.

This policy applies to the personal data of job applicants, existing and former employees, apprentices, volunteers, placement students, workers and self-employed contractors. These are referred to in this policy as relevant individuals.

"Personal data" is information that relates to an identifiable person who can be directly or indirectly identified from that information, for example, a person's name, identification number, location, or online identifier. It can also include pseudonymised data.

"Special categories of personal data" are data that relate to an individual's health, sex life, sexual orientation, race, ethnic origin, political opinion, religion, or trade union membership. It also includes genetic and biometric data (where used for ID purposes).

"Criminal offence data" is data which relates to an individual's criminal convictions and offences.

"Data processing" is any operation or set of operations which is performed on personal data or on sets of personal data, whether or not by automated means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

Green Frog Utilities Ltd commits to ensuring that personal data, including special categories of personal data and criminal offence data (where appropriate), is processed in line with GDPR and domestic laws, and all its employees conduct themselves in line with this and other related policies.

Where third parties process data on behalf of Green Frog Utilities Ltd, the company will ensure that the third party takes such measures in order to maintain Green Frog Utilities Ltd.'s commitment to protecting data. In line with current data protection legislation, Green Frog Utilities Ltd understands that it will be accountable for the processing, management, regulation, storage and retention of all personal data held in the form of manual records and on computers.

Types of data held

Personal data is kept in personnel files or within Green Frog Utilities Ltd.'s HR systems. The following types of data may be held by Green Frog Utilities Ltd, as appropriate, on relevant individuals:

- name, address, phone numbers - for the individual and next of kin
- CVs and other information gathered during recruitment
- references from former employers
- National Insurance numbers
- job title, job descriptions and pay grades
- conduct issues such as letters of concern, disciplinary proceedings
- holiday records
- internal performance information
- medical or health information
- sickness absence records
- tax codes
- terms and conditions of employment
- training details

Data Protection Policy

- DBS Checks
- Vehicle Tracking Information

Relevant individuals should refer to Green Frog Utilities Ltd.'s privacy notice for more information on the reasons for its processing activities, the lawful bases it relies on, and the data retention periods.

Data protection principles

All personal data obtained and held by Green Frog Utilities Ltd will:

- be processed fairly, lawfully and in a transparent manner
- be collected for specific, explicit, and legitimate purposes
- be adequate, relevant and limited to what is necessary for the purposes of processing
- be kept accurate and up to date. Every reasonable effort will be made to ensure that inaccurate data is rectified or erased without delay
- not be kept for longer than is necessary for its given purpose
- be processed in a manner that ensures appropriate security of personal data, including protection against unauthorised or unlawful processing, accidental loss, destruction or damage by using appropriate technical or organisational measures
- comply with the relevant data protection procedures for international transfer of personal data.

In addition, personal data will be processed in recognition of an individual's data protection rights, as follows:

- the right to be informed
- the right of access
- the right for any inaccuracies to be corrected (rectification)
- the right to have information deleted (erasure)
- the right to restrict the processing of the data
- the right to portability
- the right to object to the inclusion of any information
- the right to regulate any automated decision-making and profiling of personal data.

Procedures

Green Frog Utilities Ltd has taken the following steps to protect the personal data of relevant individuals, which it holds or to which it has access:

- it appoints or employs employees with specific responsibilities for:
 - a) the processing and controlling of data
 - b) the comprehensive reviewing and auditing of its data protection systems and procedures
 - c) overseeing the effectiveness and integrity of all the data that must be protected.

There are clear lines of responsibility and accountability for these different roles.

- It provides information to its employees on their data protection rights, how it uses their personal data, and how it protects it. The information includes the actions that relevant individuals can take if they think that their data has been compromised in any way
- It provides its employees with information and training to make them aware of the importance of protecting personal data, to teach them how to do this, and to understand how to treat information confidentially

Data Protection Policy

- It can account for all personal data it holds, where it comes from, who it is shared with and also who it might be shared with
- It carries out risk assessments as part of its reviewing activities to identify any vulnerabilities in its personal data handling and processing, and to take measures to reduce the risks of mishandling and potential breaches of data security. The procedure includes an assessment of the impact of both use and potential misuse of personal data in and by Green Frog Utilities Ltd
- It recognises the importance of seeking individuals' consent for obtaining, recording, using, sharing, storing and retaining their personal data, and regularly reviews its procedures for doing so, including the audit trails that are needed and are followed for all consent decisions. Green Frog Utilities Ltd understands that consent must be freely given, specific, informed and unambiguous. Green Frog Utilities Ltd will seek consent on a case-by-case basis where appropriate. Full information will be provided regarding the activities about which consent is sought. Relevant individuals have the absolute and unimpeded right to withdraw that consent at any time
- It has the appropriate mechanisms for detecting, reporting and investigating suspected or actual personal data breaches, including security breaches. It is aware of its duty to report significant breaches that cause substantial harm to individuals to the Information Commissioner, and is aware of the possible consequences
- It is aware of the implications of the international transfer of personal data.

Access to data

Relevant individuals have a right to be informed whether Green Frog Utilities Ltd processes their personal data and to access the data that Green Frog Utilities Ltd holds about them.

Requests for access to this data will be dealt with under the following summary guidelines:

- A form on which to make a subject access request is available from the HR Manager. The request should be made to Jody Bourne, HR Manager
- Green Frog Utilities Ltd will not charge for the supply of data unless the request is manifestly unfounded, excessive or repetitive, or unless a request is made for duplicate copies to be provided to parties other than the employee making the request
- Green Frog Utilities Ltd will respond to a request without delay. Access to data will be provided, subject to legally permitted exemptions, within one month as a maximum. This may be extended by a further two months where requests are complex or numerous.

Relevant individuals must inform Green Frog Utilities Ltd immediately if they believe that the data is inaccurate, either as a result of a subject access request or otherwise. Green Frog Utilities Ltd will take immediate steps to rectify the information.

For further information on making a subject access request, employees should refer to our subject access request policy, available from the HR Manager.

Data disclosures

Green Frog Utilities Ltd may be required to disclose certain data/information to any person. The circumstances leading to such disclosures include:

- any employee benefits operated by third parties
- disabled individuals - whether any reasonable adjustments are required to assist them at work

Data Protection Policy

- individuals' health data - to comply with health and safety or occupational health obligations towards the employee
- for Statutory Sick Pay purposes
- HR management and administration - to consider how an individual's health affects their ability to do their job
- the smooth operation of any employee insurance policies or pension plans.

These kinds of disclosures will only be made when strictly necessary for the purpose.

Data security

Green Frog Utilities Ltd adopts procedures to maintain the security of data during storage and transport. More information can be found in the data transfer security policy, available from the HR Manager.

In addition, employees must:

- ensure that all files or written information of a confidential nature are stored securely and are only accessed by people who have a need and a right to access them
- ensure that all files or written information of a confidential nature are not left where unauthorised people can read them
- refrain from sending emails containing sensitive work-related information to their personal email address
- Check regularly on the accuracy of data being entered into computers
- always use the passwords provided to access the computer system and not abuse them by passing them on to people who should not have them
- Use computer screen blanking to ensure that personal data is not left on the screen when not in use.

Personal data relating to employees should not be kept or transported on laptops, USB sticks, or similar devices, unless authorised by the Operations/Managing Director. Where personal data is recorded on any such device, it should be protected by:

- ensuring that data is recorded on such devices only where absolutely necessary
- using an encrypted system — a folder should be created to store the files that need extra protection, and all files created or moved to this folder should be automatically encrypted
- ensuring that laptops or USB drives are not left lying around where they can be stolen.

Failure to follow the company's data security rules may be dealt with under the company's disciplinary procedure. Appropriate sanctions include dismissal with or without notice, depending on the severity of the failure.

International data transfers

Green Frog Utilities Ltd does not transfer personal data to any recipients outside of the EEA.

Breach notification

Where a data breach is likely to result in a risk to the rights and freedoms of individuals, it will be reported to the Information Commissioner within 72 hours of Green Frog Utilities Ltd becoming aware of it and may be reported in more than one instalment.

Data Protection Policy

Individuals will be informed directly if the breach is likely to pose a high risk to their rights and freedoms.

If the breach warrants public notification, Green Frog Utilities Ltd will do so without undue delay.

Training

New employees must read and understand the data protection policies as part of their induction.

All employees receive training covering basic information about confidentiality, data protection and the actions to take upon identifying a potential data breach.

The nominated data controller/auditors/protection officers for Green Frog Utilities Ltd are trained appropriately in their roles under data protection legislation.

All employees who need to use the computer system are trained to protect individuals' private data, ensure data security, and understand the consequences to them as individuals and to Green Frog Utilities Ltd of any potential lapses or breaches of the company's policies and procedures.

Records

Green Frog Utilities Ltd keeps records of its processing activities, including the purpose of the processing and the retention periods, in its HR data records. These records will be kept up to date to reflect current processing activities.

Data Officer

Green Frog Utilities Ltd's Data Officer is Jody Bourne, HR Manager. She can be contacted at jody.bourne@greenfrogutilities.co.uk
